14th Annual Faith/Labor Breakfast

“Love is what justice looks like in public.” – Dr. Cornell West

We invite you to join us for our 14th Annual Faith/Labor Breakfast sponsored by Portland Jobs with Justice, Ecumenical Ministries of Oregon, and Northwest Labor Council. In the past 14 years, our belief in the dignity of every worker has inspired our community to speak out on behalf of worker justice. We continue to work in coalition with unions, community groups, and others in order to show love to our neighbors.

The tradition continues this year. Please mark your calendars!

Tuesday, February 16, 2016
7:15 a.m. to 9:00 a.m.
St. Andrew's Catholic Church
806 NE Alberta St., Portland, OR 97211

Come listen to workers discuss their fight for workplace justice, hear from faith leaders about how they will support these workers' efforts, and learn how you can stand with your neighbors as they seek economic prosperity and better working conditions.

Cost for the breakfast is \$15 per person; however, no one is turned away at the door for lack of funds. To register please visit the Portland Jobs with Justice website:

Or call our Portland Jobs with Justice office at 971.242.8704 to register.
